Discover Shuswap Lake

Things to Do & See Out on the Lake

Golfing - There are some great golf courses with boat and road access around the Shuswap. Others that are a short drive from the marinas can make arrangments for a shuttle bus.

Hiking - A variety of hiking trails exist around the lake. Remember to check the skill level required. Special ones to include are Margaret Falls, Albas Falls, Marble Point, Cinnemousin Narrows and Hunakwa Lake.

Fishing - Rainbow Trout, Lake Trout, Kokanee and Dolly Varden make Shuswap Lake their home. Drop a line and you might end up with fresh fish on the BBQ!

Cinnemousin Narrows - A hub of activity during the summer months. Check out the floating stores and restaurant. They offer basic supplies and some other popular summer items.
